When a student drops a class, the official drop date from which all claims for deductions and refunds will be computed is the date on the official drop form signed by the Business Office.

Fall and Spring Term I Courses

- During the two days following registration (the first two days
 of the term), drops and adds will be free; however, student
 must pay additional tuition or fees required.
- 2. IF A COURSE IS DROPPED AFTER THE FIRST TWO WEEKS OF THE TERM, NO REFUND OF CHARGES WILL BE MADE AND ADDITIONAL TUITION WILL BE ASSESSED FOR COURSES ADDED.
- Each change in schedule is considered a separate transaction and previous transactions will have no bearing on the calculation of charges.
- All charges for drops processed after the end of the official drop and add period (the first two weeks of the term) must be paid in the Business Office before the transaction is complete.

WITHDRAWAL/REFUND POLICY

A student is withdrawing when the student wishes to stop attendance before the term is complete. Withdrawal refunds are outlined in the University of Mobile catalog. All withdrawals must be submitted to the Business Office. Refunds of charges will be calculated from the first date of classes to the last date of attendance or date of official withdrawal. Withdrawal refunds for mini-term/modular format periods follow the drop refund policy on a course by course basis: After the 8th calendar day there is no refund of charges. All other students will have their refunds calculated at the following rates. All refunds will be less an administrative fee equal to 5% of the tuition, fees, board, and other charges assessed the student with a minimum fee of \$50 and a maximum fee of \$100.

All Terms	Percentage of Refund
On or before first day of class	100%
Calendar Day 2 to first 10% of enrollment period	190%
Between first 10% of enrollment period and first	
25% of enrollment period	50%
Between first 25% of enrollment period and first	
50% of enrollment period	25%
After first 50% of enrollment period	None

Whenever students are required to withdraw from the University because of unsatisfactory conduct or scholarship, <u>no refund</u> will be made <u>except for refunds due for federal financial assistance</u>. No refunds will be made for any scholarship funds controlled and/or granted by the University.

Adjustments for federal financial aid will be made according to federal law. The amount of federal financial aid that a student earns is based on the percentage of attendance. A student must attend 60% of the term in order to earn 100% of federal financial aid, even if the University has already applied 100% of the financial aid to the account. Student accounts will be adjusted for any repayment of federal financial aid the University is required to make on behalf of the student.

Students move into the residence hall for the entire semester. In order to be eligible for any reduction in food charges, the student <u>must present an official notification</u>. In such cases refunds will be made in the same manner as for tuition refunds. The first day of classes will be considered the first day for board refunds. **Room charges are non-refundable**.
