DROP/ADD POLICIES

When a student drops a class, the official drop date from which all claims for deductions and refunds will be computed is the date on the official drop form signed by the Business Office.

The Fall, Spring, and Summer semesters consist of one full term and several terms within the full term that begin and end at different times within the full term. Refunds for drops will be processed as follows:

Fall and Spring Term I Courses

• IF A COURSE IS DROPPED AFTER THE FIRST TWO WEEKS OF THE TERM, NO REFUND OF CHARGES WILL BE MADE AND ADDITIONAL TUITION WILL BE ASSESSED FOR COURSES ADDED.

- Each change in schedule is considered a separate transaction and previous transactions will have no bearing on the calculation of charges.
- All charges for drops processed after the end of the official drop and add period (the first two weeks of the term) must be paid in the Business Office before the transaction is complete.

Fall and Spring Term I Evening Courses and Summer Term V

• Courses dropped after the third class meeting will receive no tuition/fee refund.

Fall and Spring Terms II, III

• Courses dropped after the 8th calendar day will receive no tuition/fee refund.

Summer Terms I, II, III

Summer Terms VI and VII

WITHDRAWAL/REFUND POLICY

A student is withdrawing when the student wishes to stop attendance in all courses before the term is complete. Withdrawal refunds are outlined in the University of Mobile catalog. **All withdrawals must be submitted to the Business Office.** Refunds of charges will be calculated from the first date of classes to the last date of attendance or date of official withdrawal. Withdrawal refunds for mini-term/modular format periods follow the drop refund policy on a course-by-course basis: After the 8th calendar day there is no refund of charges.

All other students will have their refunds calculated at the following rates. All refunds will be less an administrative fee equal to 5% of the tuition, fees, board, and other charges assessed the student with a minimum fee of \$50 and a maximum fee of \$100.

All Terms

Whenever students are required to withdraw from the University because of unsatisfactory conduct or scholarship, no refund will be made except for refunds due for federal financial assistance. No refunds will be made for any scholarship funds controlled and/or granted by the University.

Adjustments for federal financial aid will be made according to federal law. The amount of federal financial aid that a student earns is based on the percentage of attendance. A student must attend 60% of the term in order to earn 100% of federal financial aid, even if the University has already applied 100% of the financial aid to the account. Student accounts will be adjusted for any repayment of federal financial aid the University is required to make on behalf of the student.

Students move into the residence hall for the entire semester. In order to be eligible for any reduction in food charges, the student must present an official notification to the Residential Life Office. In such cases refunds will be made in the same manner as for tuition refunds. The first day of classes will be considered the first day for board refunds. **Room charges are non-refundable. Commuter meal plans are non-refundable after the first two weeks.**
